

Bioconstruct

Wellingstraße 66, 49328 Melle
Lower Saxony
Germany

Phone: +49 5226 5932 - 0

We will be there to help you in every phase of the project, applying for permits or with the detailed planning and calling for bids. For the construction phase, we have an experienced team of engineers and project managers who will always keep the quality, budget and schedule of your project under their control.
