Unit 2/5 Sequoia Pl, Bibra Lake  
Western Australia 6163  
Australia

Phone: 1300 881 440

We are a West Australian owned company with over 10 years in the industry and more than 15,000 customers across the state. We are the only company in Western Australia who directly import German manufactured Conergy Solar Panels. We're dedicated to providing renewable energy systems that are custom designed to your specific needs. Providing much more than cutting-edge technology, we also open the doors to a sustainable lifestyle and provide the means to create a cleaner greener world for you, your children, and future generations.
